If you have any questions regarding WCHS Project Graduation Fundraising please contact our committee chairs.

The goal of this event is to provide a fun and safe evening in an environment that is alcohol and drug free for all WCHS seniors. Hosted at Falling Springs, seniors will have a night filled with games, activities, and prizes. This is a totally self-supporting program sponsored by the Project Graduation Committee; we receive no funding from the school budget. It is only possible with help from the generosity of parents, townspeople, and our Woodford County business community.

We hope that you will join with other community and business members to demonstrate your support of this event. We ask that you or you make a monetary contribution, or a donation of prizes, gift certificates, or services. Project Graduation is a 501c3, non-profit organization.

We are so grateful to all Woodford County residents and businesses in the past and future that support our efforts to provide a safe environment in which seniors can celebrate graduation night. Thank you for helping us to continue this endeavor to keep our seniors SAFE and SOBER on graduation night.
